

Metropolitan Youth Month Campaign (external)

Competition terms and conditions

Metropolitan is running a campaign intended to help the youth of South Africa by demonstrating that Metropolitan understands the unemployment plight and the barriers many young people face while seeking employment.

Through this campaign and in collaboration with Uber, Metropolitan will provide tangible support for the country's youth, so together we can make financial progress step-by-step.

What we are offering

Metropolitan is collaborating with Uber to offer free 500 Uber rides as vouchers to the youth who are going to job interviews, fingerprint venues, training, induction, or any other appointment relevant to them securing employment (to and from the venue) during the month of June and July. This service is open to all youth across the country where the Uber service is available or operating. The voucher will be capped to R300 to and from the venue. It will be on a first come first served basis, however, proof will be required when applying for the vouchers.

How to participate

To take part in the activation, you must be a South African citizen, between the ages of 18-35 years old.

- Apply by completing the online form which will be shared via social media channels or via Afrizan and PeopleSolved, the recruitment agencies that have partnered with Metropolitan for this campaign.
- The team will then verify the application.
- Upon verification, the Uber voucher will be distributed to your qualifying cellphone number.
- You need to redeem the voucher via the Uber App (please ensure the Uber service is available and operating in your area).
- Uber vouchers are redeemable and valid only for the month of June and July 2022.
- You may apply for more than one voucher during the campaign period, as long as you are able to provide proof for the job interviews.
- Each voucher is capped at R300 maximum for a return trip. The difference of the trip balance, over R300, will be payable by you.

IMPORTANT NOTE: Metropolitan does not take responsibility for any ride/driver detail discrepancies or accept any liability whatsoever in respect of the use of the Uber service. Please remain vigilant and cross check the details on the app with the vehicle and driver that arrives for your pickup.

Clothing vouchers

In addition to receiving Uber vouchers, qualifying candidates will also receive a TFG (The Foschini Group) clothing voucher to the value of R150 each. The candidate will therefore receive the following:

- Uber voucher capped at R300 for a return trip;
- TFG clothing voucher for R150;
- Plus, an infographic with interview tips to help them prepare for the big day.

Social media posts

As part of the campaign, we would like the recipients or qualifying candidates to send us a selfie of themselves on the day of the interview that we can use on our Metropolitan social media pages. They can either send the selfie via direct message on Twitter, Facebook, or Instagram, or they can post the selfie on their social media page and tag us using the hashtag #Met4Youth.
