

Legacy of a good education

Your financial wellness journey begins when you start planning for what's important.

The best gift you can give your children is the ability to make their dreams a reality.

Metropolitan offers savings plans that will help you give your children the legacy of a good education.

We offer two cash plans that allow you to make your children's dreams a reality:

A FutureBuilder MultiCash Plan for individuals

A DreamBuilder Cash Plan for employees that are members of group schemes or unions.

How it works:

Depending on your budget, you save what you can afford every month.

You can choose to increase your monthly payments every year to protect your pay-out amount against the rising cost of living.

After five years, you reap the rewards. You will be able to make yearly withdrawals on the savings plan that can either cover the cost of tuition fees, extramural activities or special tutoring.

Legacy of a good education

Your financial wellness journey begins when you start planning for what's important.

We understand that your financial situation won't always be the same, that's why we meet you where you are and make plans to adjust your savings as your financial situation changes. When setting up your plan, consider the following costs:

Long-term needs

You have big dreams for your children's future. Whether it is a private school, college or university, you'll need a solid plan to make these dreams come true.

Primary and high schools cost from R5000 to R120 000 per year.

Tertiary institutions cost from R5000 to R100 000 per year

Frequent needs

From school outings and camps to after school activities and new school uniforms, planning ahead makes it possible to pay for all your children's education costs.

From R2000 to R10 000 per year.
