

Dignified Funeral Cover

Your financial wellness journey begins when you start planning for what's important.

A funeral is so much more than a day in a lifetime; it's a lifetime in a day. This is why it's so important to give loved ones the final goodbye they deserve. A Metropolitan Funeral Plan helps you to do that for yourself and your loved ones at an affordable price.

What are the benefits?

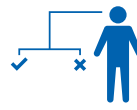

Cover up to 20 people on one plan. Get cover of up to R50 000 for your parents and R50 000 for extended family.

Cover yourself and your immediate family for up to R80 000.

(Plan owner, life partners and children)

You can customise your plan to suit your needs. You have the flexibility to change your cover as and when your life changes.

You can cover each child for life at an individual premium or cover all your children under immediate family until they turn 21.

As a client, you choose what features you would like to add to your funeral event. We will organise the funeral arrangements on your behalf and keep you updated.

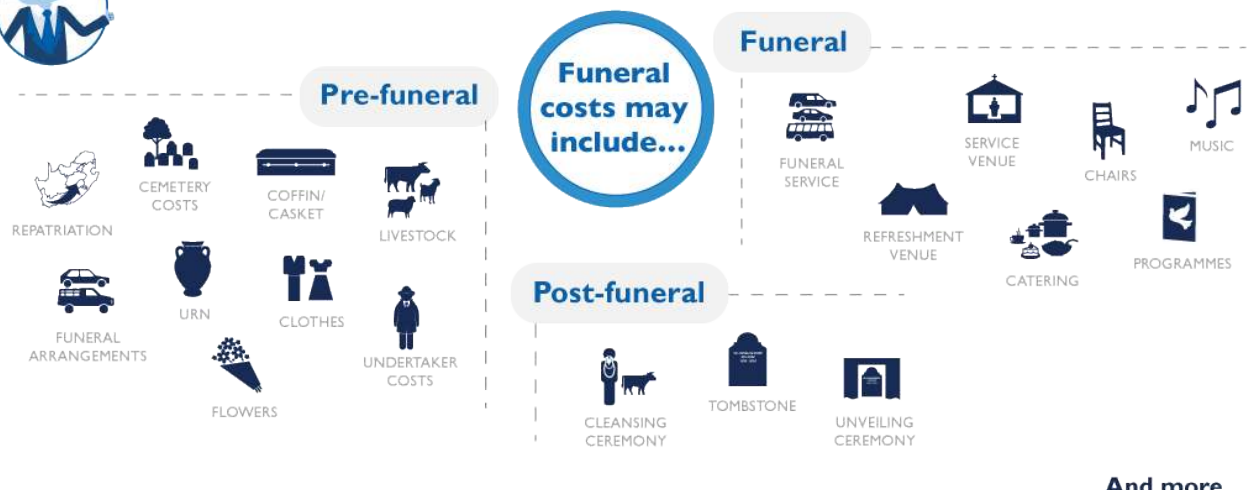

There are no medical health checks required. Cover for your immediate family is immediate, while cover for your extended family comes into effect after a 3-month waiting period.

You can submit a funeral claim online, without submitting any paperwork. We pay out all valid claims in less than 24 hours.

There are a lot of costs related to a funeral; and they come at a time when you least expect them.
